Wolverines Meet Winnemucca For Title On Saturday

Locals Defeat South Tahoe Eleven In Thrilling Local Tilt

Truckee Tahoe meets Winnemucca at Reno Saturday at 11:30 a. m. to decide the championship of the Northern Nevada A Conference.

Tahoe Truckee defeated Winnemucca earlier in the season 21-7 in what was considered a monumental upset. It is the only defeat inflicted on the Buckaroos since 1957. It is hoped a large delegation of rooters will make the trip to Reno Saturday and cheer the Wolverines on in the play-off. The winner will meet Moapa Valley High School in Overton, Nevada next Saturday, November 21. for the Nevada State A football championsip.

Before the largest crowd ever to witness a football game on the local field, the Tahoe Truckee High School Wolverines last Saturday afternoon took the measure of visiting South Tahoe Vikings from the other side of the lake 27-19.

With the victory went a co-championship of the Northern Nevada A Conference as each team entered the game with identical conference records of 3-1 compared to the Winnemucca Buckaroos 4-1 record, who finished the conference race two weeks ago. Victory Saturday was doubly sweet as this meeting was officially installed as the first annual Big Game and a perpetual trophy will be awarded to Truckee to keep for at least one year until the Vikings can win it back. The winning school's name, the score, and the year will be engraved on the trophy each year.

Those who had seats in the large crowd Saturday had barely got settled when the visiting Vikings shocked the local Cardinal and White on the opening kick-off. Gene Lang, South Tahoe speedster fullback, took Bergman's kick-off and went 79 yards right up the middle for the score. Lang also powered over on the extra point and the Vikings led 7-0 with only twelve seconds elapsed in the game.

The up-and-coming Junior Varsity eleven wound up their 1959 season Saturday by defeating the South Tahoe JV 27 to 0 as a preliminary to the first annual Big Game. It was a good game, well played and provided many thrills and much sport for the large crowd of spectators.

Truckee came storming back and received a real bad break when after marching the length of the field, they missed their first chance for a tie by fumbling on

NEW OES OFFICERS TO BE INSTALLED

A farewell night for Worthy Matron Pearl Heller and Worthy Patron Charles Heller and their officers will feature the next stated meeting of Truckee Chapter No. 116, Order of Eastern Star Tuesday, November 17.

Anona Loynd with her committee will be in charge of refreshments in the banquet room.

Installation of the 1960 officers will be held November 21 with relatives and friends welcome to attend the ceremonies.

The new officers are Margaret Craig, worthy matron; Sam Faulkner, worthy patron; Virginia Doyle, associate matron; Paul Doyle, associate patron; Hilda Hintz, secretary; Victoria McIver, treasurer; Ruby Faulkner, conductress; Elsa Culbertson, associate conductress; Estelle Klitzke, chaplain; Pearl Heller, marshal; Anita Allison, organist.

Joyce Peterson, Adah; Ruth Gross, Ruth; Phyllis Snyder, Esther; Dorothy Rose, Martha; Marguerite Lubnow, Electra; Georgia Blachley, warder; Charles Heller, sentinel and Harvey Klitzke, flag bearer.

WSCS GROUP GUESTS AT RENO MEETING

On November 4, the Truckee Woman's Society of Christian Service were guests of the Reno society at the First Methodist Church to hear an address by Mrs. Ted Baun of Fresno, president of the California, Nevada Conference of the W. S. C. S.

The local study group on the United Nations holds its last meeting this week at the home of Mrs. C. W. Sciutto.

Plans are under way for the annual chili luncheon to be held the first week in December. Mrs. Ben King will chairman the event.

LENNIE TAYLOR WEDS MILL VALLEY RESIDENT

Of interest to local friends was the announcement this week that Lennie Taylor, former well known local young woman, has married Paul Scheiner, an advertising executive of Mill Valley. The wedding took place last week and the couple will reside at Mill Valley following their honeymoon.

Cushing Declines Tentative Offer To Sell Squaw Rights

Although the division of beaches and parks has requested an additional $5,000,000 in the 1960-61 budget to make possible the purchase of the Squaw Valley holdings of Alex Cushing, that controversial owner does not wish to sell.

He made that clear in a statement this week and said he was not interested even at the huge sum mentioned.

"If this propostion actually goes before the legislature," Cushing declared, "we'll oppose it."

He said that the state would be taking a backward step in buying him out.

"They'd simply be spending a lot of money to substitute their know-how for ours—and they don't have any."

Cushing agreed that the $5,000,000 is a lot of money, but said it would take more than that to make him want to sell.

GEDDES ATTACKS

In the meantime Assemblyman Samuel Geddes of Napa County has resumed his attack on the Squaw Valley deal in its entirety, demanding the state to "go slow" on any dealings with Cushing and continuing to demand an investigation of the whole setup.

Answering critics, Governor Brown declared Saturday that construction in Squaw Valley is on schedule and will be completed in time for the games.

"We'll have the greatest Olympics ever held," the governor declared.

Last Rites Held For John Flagg Tuesday

Funeral services were held at Albert Brown's Chapel in Oakland Tuesday afternoon for John Solomon Flagg, 59, a well known resident and businessman of this area, who expired Saturday following a heart attack. Entombment was in the Chapel of the Chimes at Piedmont. The Truckee Colonial Mortuary had charge of local arrangements.

Flagg, a native of Nebraska, had lived at Tahoe City for many years and once owned Rainbow Tavern. Recently he had been living at Reno.

Flagg, accompanied by his brother, C. Jay Flagg and a friend were on a Jeep trip above Donner Lake when they became stuck and had to push and remove rocks. It is believed the strain proved fatal to Flagg.

The deceased is survived by his wife, Florence, two sons, Marvin of Los Angeles and John of Reno. A daughter, Mrs. L. C. Bortz also lives at Reno. There are seven grandchildren.

CRYSTAL BAY BOY IS CHAMPION SHOOTER

CRYSTAL BAY—Young James Bandy, Jr., 14 year old Tahoe City eighth grader, was named Nevada State single champion during the annual fall trap shooting tournament at Harold's Trap and Skeet Shooting Club at Reno November 6.

On Sunday, November 8, Bandy was named Nevada handicap champion. On Thursday he broke 96 targets out of a possible 100 and Friday he scored 97 out of 100. In winning the award Bandy will go on official PITA records as the state of Nevada champion.

The young champion is the son of Mr. and Mrs. James L. Bandy of Crystal Bay.

JOBS OPEN IN AREA, DEPARTMENT SAYS

The state department of employment announces that a number of jobs are open in this vicinity and urges all indviduals seeking work to apply to Tommy Gore, the department's respresentative at Kings Beach.

Vacancies are available for mechanics, cooks, bus boys, waitresses and child monitors, Gore said.

All employes are also asked to list employment services with the department.

Fell From Roof—

James Coonan of San Francisco was reported to have fallen from the roof of his house at Sugar Bowl, breaking legs and other bones.

Party Guests—

Mrs. L. D. Nelson recently entertained members of her card club group in her Gateway Park home.

District Again To Open Bids For 68 Acre Tract Here

Minimum Price Of $51,000 Established For 68 Choice Acres

The board of directors of the Truckee Public Utility District Tuesday night agreed to again advertise the 68 acres of land south of Donner Creek and west of Highway 89 for sale.

This land was advertised several weeks ago and only one bid submitted, that by G. E. Lewis, Truckee subdivider. The bid of $51,000 was rejected and then the board reconsidered and accepted it.

Through the advise of their attorney, Paul Chamberlain at Auburn, this acceptance was nullified and the board again, after considerable discussion pro and con decided to readvertise and set the minimum once again at $51,000.

The bids will be opened on November 24 at 8 p. m. at the district's office, Manager Daven Morey declared.

400 Shoppers Get Christmas Money

Clanging cash registers in the stores and mountains of gav packages in homes throughout California this Christmas season are indicated by Bank of America's 1959 Christmas Club figures announced by the bank today.

Lee H. Apple, manager of the Truckee branch, said almost 400 local residents have saved $49.000 between them toward their Christmas festivities.

All together the bank will mail checks totaling $69,250,000 to approximately 533,000 thrifty Californians in mid-November.

The statewide figures are up from last year by more than three and one-half million dollars and 16.000 accounts.

Distribution is made in November to enable customers to do their Christmas shopping early. The Christmas Club also is used by many savers as a source of ready cash for winter vacations or end-of-the-year expenses such as insurance and tax payments.

VENISON POSSESSORS ASKED TO GET PERMIT

The department of fish and game reminds all deer hunters and persons possessing deer meat, whether taken in California or brought into California from another state, that a permit to keep the meat must be purchased if the meat is possessed after November 16, 1959.

A fee of $1 per carcass is charged for the permit and the stamping of the meat.

For this service call either Warden Charles Spillner, LUther 7-3153 or Warden Hal Mefford in Lovalton, WYman 3-4336.

Inasmuch as this hunting season has been an exceptionally good one, with many local people successful in getting their buck, they should be reminded to comply with the permit law, which will be strictly enforced throughout the state, Spillner said.

PLANS COMPLETED FOR BENEFIT DINNER

Plans are now complete for the Catholic Church dinner to be given at the Nevada Lodge Sunday November 15, at 7 p. m.

There will be entertainment, and three Thanskgiving dinner baskets will be awarded during the evening.

Father O'Neill and Father Mulligan express the wish that all parishoners will attend this dinner so that the people in this area may become better acquainted.

TOPOL GIVES $200 TO DONNER VOLUNTEERS

The Donner Lake Volunteer Fire Department this week gratefully acknowledged with thanks a check for $200 from Sidney Topol, owner of Burney Lumber Company mill here where a $150,000 fire two weeks ago wiped out several piles of lumber and logs.

The Donner department lost the motor in their truck and will find the donation most useful for replacing it.

SUNBEAMS

By WALTER M. BARRETT

Tomorow the Bank of America will send out $49,000 to 400 members of the bank's Christmas Club. This is a sizable sum of money and should provide a better than average Christmas in the community. We have on sound suggestion which we sincerely hope will be taken seriously and that is that these 400 people will spend the $49,000 in the community. You will find that this will serve two excellent purposes. First it will give your local merchants a nice boost and secondly you will find that you have served yourself well by obtaining buys equal to or better than you can secure out of the area. Local spending builds a better community.

We believe the Truckee Tahoe Airport District directors are following a wise course in activating the old emergency airstrip east of town. True this does not fill the need for the future, but it will serve to attract scores of private fliers once the port is leveled and graded. It may be years before the proposed big port can be finished and in the meantime the smaller field will serve an excellent purpose and the cost of preparing and maintaining it will be very little.

Legislators Open New Summit Road

SODA SPRINGS—An estimated 80 persons attended the no-host luncheon and ceremonies marking the opening of the new freeway between Hampshire Rocks and Soda Springs last Wednesday afternoon.

The luncheon was served at Donner Summit Lodge prior to the ceremonies and during the luncheon James Sherritt gave a resume of the past history of the famous highway.

Following the luncheon the group reassembled at the Kingvale interchange where State Senator Ron Cameron and Congressman Harold Johnson cut the gilded tire chains which spanned the freeway and opened the lateral to four lanes of traffic.

The spectators enjoyed the selections played by the Tahoe Truckee High School Band before the weisel carrying the legislators led the traffic down both lanes of the freeway. Among the notables present at the ceremonies were a group of state officials led by Alan Hart, district engineer and contractors and local officials.

GEORGE KENYON IS RECRUIT GRADUATE

SAN DIEGO—(FHTNC)—George W. Kenyon, Jr., son of Mr. and Mrs. G. W. Kenyon, Sr. of Truckee, graduated from recruit training November 13 at the Naval Training Center, San Diego.

The graduation exercises, marking the end of 11-weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In 11-weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

CHURCH MEN TO HAVE HOLIDAY BREAKFAST

KINGS BEACH—The men of the Community Methodist Church of Kings Beach will have another Sunday morning breakfast on Thanksgiving Sunday, November 22, from 8 to 9:30 in the fireside room at the church. A real "he-man" breakfast will be served to all comers at a moderate price. Everyone is invited to come and enjoy the fellowship and the food. The proceeds will go to benefit the church.

CHAMBER TO MEET AT SMART'S FRIDAY

President N. F. Dolley has called a meeting of the Truckee Donner Chamber of Commerce for Friday at noon at Smart's where a number of vital matters will be up for decision. He urges all members to attend.

Board Decides To Activate Airport East Of Truckee

Leveling Starts As Field Is Being Readied For Light Craft

Members of the board of directors of the Truckee Tahoe Airport District at their meeting last week made formal application to the U. S. Forest Service for use and control of the Truckee emergency airport, three miles east of here.

The field will be put into temporary use pending completion of the proposed new airport two miles south of Truckee on the Brockway road.

Present at the meeting were Directors Zeph Rose, Lee Apple, and Fred Schultz and Robert Frazer of the Utilities Helicopter, Inc., and John Houlgate of the Clements Rock Products of Truckee.

Houlgate, who is a private pilot and keeps his plane at the airport when not flying around the state on company business, was called upon by Chairman Rose for his opinion of the temporary emergency airport.

The speaker emphasized the need for accommodating the thousands of private planes in the state and pointed out the necessary work to be done to put the strip in shape for use. He suggested as an immediate step that the rocks on the field be removed and the area graded. This would cost approximately $200.

Houlgate said he was in San Jose recently and picked up 40 runway markers which he said he would be glad to donate to the district for the temporary field.

He suggested that the runway be reshaped, rolled and sealed with ashphalt next spring for approximately $2,000. The taxiway and parking areas could be oiled for about $500 making the total cost for the improved strip with a runway, oiled taxiway and parking lot cost approximately $2500.

FUNERAL SERVICES ARE HELD HERE FOR VIRGINIA CHAMINGS

Last rites for Mrs. Virginia Chamings, 40, were held at the Truckee Colonial Mortuary Sunday afternoon at 2 p. m. Mrs. Chamings expired Saturday shortly after midnight following complications which developed after an operation on an exploded appendix.

A native of Indiana, the deceased was born April 4, 1919. She had made her home here for the past three or four years where her husband, Edward, was employed as a carpenter. Also survivig is a five year old daughter, Debbie.

Rev. Earl Rhoades officiated at the rites with Mrs. Rhoades playing the organ and singing two solos. Interment was in the Truckee cemetery.

Pallbearers were Orie Keeler, Lee Martin, Buck Shane, Patrick Shane, Keith Ross and Kenneth Hedlund.

HOSPITAL AUXILIARY DOING ACTIVE WORK

J. J. McGlade, administrator at the Tahoe Forest Hospital, reports that the recently organized Tahoe Forest Hospital Auxiliary is functioning well.

The organization now embraces some 70 members who are taking turns assisting the hospital personnel with two members working from 2 to 6 p. m. each day.

Last week the auxiliary held a meeting at Squaw Valley where Drs. L. D. Nelson and Ben King and McGlade outlined needed assistance to the membership. Mrs. Sophia Baker is the organization's president.

FIRE FUND DANCE IS SLATED SATURDAY

A "fire fund" dance will be held at Donner Lake Lodge Saturday, November 14, from 9 until 2. There will be a midnight buffet and fun for everyone.

The admission price of 75 cents per person will be presented to the Edward Frates family, victims of a home fire this week.

TAHOE WEATHER

TAHOE CITY — With seven gates partially open, the level of Lake Tahoe Monday stood at 6225.69, provisional and subject to revision. No precipitation has been recorded and the temperature has ranged from 25 to 58 degrees.

State Employment Office To Open In Truckee Monday

The department of employment is again establising itinerant service to the Truckee and Lake Tahoe areas for the purpose of filing unemployment insurance claims and applications for work.

The department will hold the office in the old Truckee Elementary School building on Church Street.

The first date will be November 16 and the hours will be as follows:

Continued claims and paying benefits: 9:30 a. m. to 12 noon.

New and reopened claims 1 p. m. to 2:30 p. m.

People residing in the area from Cisco Grove east to the Nevada State line along Highway 40 and on Highwav 89 to and including Squaw Valley will report on the following dates: November 16. 23: December 7. 21; January 4, 18; February 1, 15, 29; March 14, 28; April 11, 25; May 9, 23; June 6, 20.

People living in the area from the Nevada line south to include Kings Beach, Brockway, Tahoe City and area bordering the Lake and north on Highway 89 to Squaw Valley will report on the following dates: November 16, 30; December 14, 28; January 11, 25; February 8, 23; March 7, 21; April 4, 18; May 2, 16, 31; June 13, 27.

Snow Maker Will Seed Local Clouds

"Notice of intention to modify natural precipitation by artificial means."

This is the title of a legal notice being published in the Mountain Messenger at Downieville, somewhat removed from the location of the intended "modification."

The notice declares that it is the intent of the Water Resources Development Corporation of Denver to engage in operations to modifv natural precipitation by artificial means, "for and on behalf of" the Organizing Committee of the VIII Olympic Winter Games.

The area to be affected, the notice savs, is described as Squaw Vallev, Lake Tahoe, Placer County, California.

The area adjacent to target area which mav be subject to effects of the operation will be upper elevations of Placer, Nevada and Sierra Counties, the notice declares. The period of operation will be from November 15 to February 28, the ad concludes.

Naturally, the notice does not and cannot tell what effects this operation will have upon the weather of the "upper elevations" of the areas to be effected.

FOOTBALL COACHES SPEAK AT ROTARY

TAHOE CITY—Truckee Rotarians making up the November 3 meeting of Tahoe City Rotary Club at Tahoe Inn were, Johnnie Richards, Dwight Roberts and C. W. Schioutto. The latter is principal of the Tahoe Truckee High School.

For the after dinner program. Tony Donadio introduced Coach Cal Farley and Catain Marty Kumle of the Tahoe Truckee High School football team. Coach Farley told of the general success of his team during the season and how the boys had lost the game by what he thought was over confidence. There followed a period of questions and answers on the various players.

NEVADA ASSEMBLY PRESENTS U. S. FLAG

A fifty star United States flag was presented Sunday to the Order of Rainbow for Girls by visiting members of the Nevada grand assembly.

Varien Frey gave a tribute to the Rainbow banner, Donna Barnes, Joan Brown, Renee Hall, Cheryl Wheeler, Lydia Craig entertained the distinguished visitors. The meeting was followed by a banquet.

ATTENTION CALLED TO BENEFIT PARTY

Attention is again called to the benefit card party sponsored by the Donner Lake Fire Department and Auxiliary which will be held at Smart's Friday evening. Everyone is invited and will find a game to their liking. Tickets may be purchased at the door or obtained from any members of the department or auxillary.

Girl Hospitalized As Fire Destroys Frates Home Here

Family Escapes Death As Early Morning Fire Razes Home

A major tragedy was narrowly averted at the Edward (Nuke) Frates home in the east end of town Monday morning when a 5 a. m. fire gutted the newly remodeled home but the seven members of the family escaped a firey death.

One child, Mary Catherine (Joy) Frates, 7, was overcome by smoke when she returned to the blazing house in a futile attempt to rescue her pet dog, Bimbo. She was taken to the Tahoe Forest Hospital suffering from second degree burns on her face and hands but her condition was described as not serious.

Indications were, Fire Commissioner N. F. Dolley reported, that the fire may have had its inception in a faulty refrigerator motor or a short which caused a blaze in the lint which collects on the lower portion of the appliance. Examination proved the fault was not in the flue from the fireplace.

Mrs. Frates had been up a half hour before the fire was discovered and said she smelled smoke. She made a survey of the house but could find nothing unusual and had returned to bed. A few minutes later the flames broke out and the family was quickly aroused and rushed to the home of Mrs. Frates' parents, Supervisor and Mrs. H. G. Loehr, which is located nearby.

All the children were accounted for with the exception of Joy, who had rushed back to save her dog. She became wedged between her bed and the wall and was overcome by smoke. Her mother, missing her, rushed back to the flaming house and broke out a bedroom window and brought the unconscious child to safety.

As usual the volunteer fire department made quick response to the call and confined the flames to the one house.

Most of the family's clothing was saved, but the house was completely gutted.

Work Finally Starts On Athletic Field

The State of California has completed its obligations on the new athletic field for the Tahoe Truckee High School and now the contractor is faced with a problem of having the field prepared and ready for use by next fall.

The state had agreed to drain, level and grade the new field just west of Smart's in exchange for the right of way for the new freeway south of the school. At the same time the school entered into a contract with G. E. Lewis to prepare the oval and track and install the foundation for the seats. The contract also calls for seeding the turf and maintaining it until the first cutting.

Lewis sold out his contracting business and the job was taken over by George Young of Sacramento. Top soil has now been hauled onto the land and preparations are going forward to seed the field the first thing in the spring.

Superintendent J. S. Corbin reported that while it is possible the field will be in shape for the football season next fall, this depends largely upon the weather during the coming months.

In the meantime, the school is utilizing the old field which has been cut off from the school by the freeway, creating quite a transportation problem for the athletes as well as patrons of the games. This has been demonstrated during the past season as cars and buses have been required to travel over rough, dusty roads to get to the field.

TEAMS TO BE FETED AT P. T. A. DINNER

The Tahoe Truckee High School P. T. A. will have a roast beef dinner on Wednesday, November 18, at 6:30 p. m. at the high school cafeteria. The coaches and members of the varsity will be honored guests and the proceeds will be used to pay for scholarships to be given by the P. T. A. to graduating seniors in June.

Tickets are $1.50 for adults and 75 cents for children and may be purchased from teachers and members of the P. T. A. Music will be provided by the dance band.

PROSSER BID OPENING DELAYED TO TODAY

Bids for the construction of the Prosser Creek Dam, the first portion of the gigantic Washoe project scheduled to have been opened in Carson last Thursday will be opened today.

The bureau of reclamation announced that the change in opening date was found necessary at the last minute.

Ten-Fish Ruling Trout Established

By EDWIN S. CAPPS
CAPITOL NEWS SERVICE

SACRAMENTO—(CNS) — The state fish and game commission has agreed, as expected, to reduce the trout limit to 10 fish statewide for the 1960 season, it was learned today.

Commissioners decided this in a closed meeting in Sacramento Oct. 29 in which they reached their "determinations" for the next year's regulations. The determinations will be announced at a later date and adopted at a open meeting in Sacramento on Dec. 3.

There always is a chance of changes between the "determination" and "final adoption" stage, but it was not expected to occur on the 10-trout limit. The limit for the past season has been 15 trout in 11 northeastern counties and 10 trout for the balance of the state.

In setting the 10-trout limit for the 1960 season, commissioners refused to go along with a proposal for a year-around season for the whole state, with a 10-trout limit in the summer and five in the winter. This has been the case for southern California for several years. The proposal was believed to have had the support of the two northern members of the commission, President Thomas H. Richards, Jr., Sacramento, and Henry Clineschmidt, Redding.

However, the commission did agree that the proposal for the year-around 10-5-limit season for the whole state would be put out to the public, with the understanding there was a strong possibility of its adoption in 1961.

There were few controversial items on the 1960 regulations other than the trout limits. This is the first year of operation under a new system where a preliminary meeting is held in October, and the final meeting in December, for regulations of the following year. Previously, the commission met twice in the spring of the year in which the regulations would take effect.

The only known deposits of shale oil in the United States that have commercial value are in Colorado, Utah and Wyoming.

Ano Nuevo Island, latest addition to the California State Park system, is 20 miles north of Santa Cruz.

West Shore Notes

Nina Slade

Mr. and Mrs. J. Filippo of San Rafael are staying at their new Chamberlands home, Tahoma.

* * *

The Ray Gratners are digging a well for their new Tahoma home which has come a long way toward completion this summer, what with Ray able to work on it only weekends.

* * *

Mr. and Mrs. Dick Hammer, Linda, LeRoy and Diane have moved from Tahoma to Tahoe Park where they purchased a home. The Hammers came from Westville, Okla., to visit the James Orrs and decided to stay.

* * *

Mr. and Mrs. Ray F. Brooks of Modesto and family have taken the Westover house in Tahoe Cedar tract for the winter. Son Frank is helping father in carpenter work, daughter Pat is at home, and young Mary Lou is in Tahoe Lake School.

* * *

Margaret Coffey of Sunnyvale has taken over Charmaine's Coffee Shop from Viola E. Fagin of Kings Beach.

* * *

Mr. and Mrs. Dennis DeMaria of Woodland have purchased the Henry Springer house at Skyland. The DeMarias have three children, Diane, Anthony and Denise.

* * *

Sunday's San Francisco Examiner used a beautiful panoramic cover picture of Squaw Valley from the mountain top to illustrate a style preview of Olympic snow fashions. The valley appears below Willy Schaeffler, director of ski events, in his jeep with two models in parkas, atop the mountain. Another photo featured Mrs. John McWhorter, of Carnelian Bay, expert skier and winter weekender at Tahoe. Other models shown were Mrs. Harry Parish, III, (Nancy Hellman) and Dorothy Fay, official Olympic guides, who will help at Squaw Valley as well as in San Francisco.

* * *

The Woman's Guild of St. Nicholas Church met for a regular meeting last Thursday and on Friday enjoyed a pot luck dinner together.

* * *

Mrs. Albert S. Fanger of Tahoma and her brother, Victor Winchcombe of New York, visited Sheila Fanger at Sacramento last weekend. Sheila and Janice Gray of Truckee are having lots of fun keeping their own apartment this year while they attend Sacramento State.

* * *

Birthday toasts this month to Ray Fellows, Carnelian Bay, Carol Farr, Tahoe City, Judge Evelyn Bliss, Oakland, Stella Watson, Lvonne Bechdolt and Jack Starratt.

* * *

Tahoma is taking on an international air. Italy's Consul General Alessandro Savorgnan has rented a house at Truman Sunkel's Tahoe Pine Lodge for eight members of the Italian Olympic team. The Italian team will bring their own cook so that they can train on their native diet.

* * *

The Fred C. Wassons of Rubicon Park Estates have left for their desert home near Twenty Nine Palms.

* * *

The George Kehlets and Fred Kehlet of Meeks Bay have returned to Palm Springs. The Darel Kehlets will be at Meeks Bay a few weeks more.

* * *

The Ralph Stanleys of Tahoma returned from their eastern trip and were planning to close Stanola Lodge and go south. Unfortunately, Mrs. Stanley spent five days in the Tahoe Forest Hospital for a checkup, but is feeling better and they headed for Santa Monica to help Mabel's father celebrate his 84th birthday last Sunday.

* * *

Mr. and Mrs. Cliff Plew, and young Cliff, of Lake Forest took a quick jet trip to Indiana to be with his parents on the celebration of their golden wedding anniversary.

* * *

Highlight of the recent Women's Club meeting was a tour of Squaw Valley conducted by Jack Starratt and Gordon Butterfield. Members of the club were amazed at the progress in the area. The membership voted 100 per cent for the Cold Creek area near Sierraville as the Penny Pines location to which they donated seedlings. This makes it close enough to watch the pines grow. The club is also 100 per cent in its membership in the

CARE project to furnish school kits for overseas children. These ladies are certainly active and diverse in their abilities and hobbies. Mrs. Evelyn Curtis donated one of the lovely desert, she painted, to the club. A display of her interesting work for National Art Week was one view at the Chicken House during the meeting. Other business included a plea by District President Mrs. Fred Pedley to join the State Safety Council. It was agreed the members would join and work with other groups concerned with safety programs. Prior to the meeting a board meeting was held at the home of President Irene LePire.

* * *

Up last weekend at the Squaw Valley home were Mr. and Mrs. J. Philip Murphy of Piedmont.

* * *

Mr. and Mrs. Jack Bradley of San Francisco were at their Rubicon place.

* * *

Mr. and Mrs. Carl Bechdolt, Jr. are living in the golf club house until they build their new home.

* * *

The Jack Bogarts were at their home near Tahoe Tavern last week.

* * *

Friends of Bob Beckman of the Highlands are happy to note he is up and arond again and recovering from his recent illness.

* * *

Mr. and Mrs. Wayne Jackson of Auburn spent the weekend at Tahoma.

* * *

Mrs. Margaret Conrad, mother of Mrs. Bobbie Holt, Sunnyside, has taken an apartment in Lodi for the winter. Mrs. Conrad has been with the Holts most of the summer. Bobbie Holt again did a short stint at the Truckee post office this week while Mrs. Elizabeth Bavier, postmaster, took a short holiday.

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

There's no extra charge for repairs. Stop and think about it for a moment. There is a guarantee on one of the conveniences in your home that isn't just for 90 days, or only one year, or 10 or 20 years. It's the guarantee that your telephone will be repaired or replaced whenever anything goes wrong and with no extra charge to you. It's a guarantee that never runs out. It's good for as long as you have a telephone. And it means service that's always dependable.

People who have extension telephones in their homes will tell you they're mighty handy in those rooms you use a lot. A bedroom phone, for instance, gives you a real sense of security at night—saves a lot of running around during the day when you're working in that part of the house. Why not find out about one for your home.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELMENTARY

KINDERGARTEN: We were happy that the kindergarten was chosen for the art exhibit as we enjoyed seeing the work of the other grades. We made pictures of the Mayflower for our entry in the exhibit. The five best ones chosen were made by Sheri Sassarini, Mike O'Bear, Carol Bunt, Holley Schoolev and Phillip Grow.

FIRST AND SECOND GRADES: Our good speller for this week are Danny Dawson, Kent Mullis, Nancy Raynor, Joy Frates and Margaret McLane.

SECOND AND THIRD GRADES: David Capel and Augie Acosta are the new team captains this month. The class wants to thank Skip Ferdinand for helping with boning the hams for the scholarship dinner. Carol Paselk left for Fremont, Calif., today. The class will miss her. Best spellers this week are Augie Acosta, Claudia Rhoades, Sandra Ferdinand, Fred Stewart, Carl Mahon, David Capel, Kathy Campbell, Carol Paselk, Larry Dovle, Jim White, Diane Rose, John Poppe, Dennis Weiler, Dottie Kirk and Ben King.

THIRD GRADE: Class officers elected for the month of November are: president, Curtis Melugin; vice-president, George Franceschini; secretary, Tammie Richards and treasurer, Maryann Atkinson. Monitors for the month are: paper, Mary Lou Randall; milk, Jonathan McLane; library, Ryan Houlgate; board, Steven Silverii; sink, Monte Neugebauer; balls, Curt Mullis and weather calendar, Michelle DeLisle.

FOURTH GRADE: We are especially proud this week when 31 pupils took their final tests in spelling, 27 of them had perfect or near perfect papers. Those who spelled every word correctly were: John Clark, David Curtis, Diane Daly, Henry Frates, Bob Goldsmith, Stan Greene, Thomas Holleman, Mike Kydd, Mike Larsen, Richard Martin, John McGlade, Phil Risden, Bill Rose, Linda Russell, Karel Lynn Sauby, Steve Schooley, Allison Spillner, Barry Waters, Fred Wilhelm, Jill Wurst, Mary Stacy.

FOURTH - FIFTH GRADES: Fourth graders achieving perfect papers in spelling were Judy Ingalls, Tommy Romo, Pam Horman, Carol Brown, Rod Farley, Jerry Householder, Russell Glenn, David Higgins and Connie Davis. On the 8-week review test 90 per cent or higher grades were earned by Cheri Comola, Gail Englehart, Beverly Holleman, Cam Houlgate, Craig Mullis, Dennis Richards and Garee Lynn Stewart. In arithmetic, Beverly Holleman, Craig Mullis, Pam Horman and Judy Ingalls performed excellently. Billy Hobbs, Gail Englehart, Beverly Holleman, Jerry Householder and Craig Mullis earned "A" in social studies.

FIFTH GRADE: The fifth grade girls are conducting a dress fashion designing contest in conjunction with their art program.

For the last part of the football season the fifth and sixth grades have joined forces against the seventh grade. So far the seventh grade has an upper hand.

SIXTH AND SEVENTH GRADES: Steve Davis and Jim Roth earned themselves a free ham dinner Saturday night by selling 10 tickets apiece. Ramsay Mitchell came in a close third by selling 6 tickets. A sum total of $56 was turned in by the students of Mr. Handy's 6th and 7th. Mrs. Roberson's 6th turned in $101 with Mike Sullivan, Sherry Borden and Dawne Lee selling 10 or more tickets.

Judy McGwinn, Terry Stark, David Sorani and Julie Knoff are on top with perfect spelling papers considering grammar, punctuation, spelling and penmanship.

Donald Greene, Sherry Borden, Bill Dawson and Virginia Laughlin turned in an excellent set of maps to Mrs. Roberson.

Tony Kenyon did an excellent bioscope drawing of a moth wing for science. He prepared the slide himself as did the others in his grade.

SEVENTH GRADE: The seventh grade has started studying the stars. We had a test on air and weather at the beginning of the week.

The 7th grade class of Mr. Johnasen's is giving a dance on November 25 and the 7th, 8th and 6th are invited. We all hope they enjoy it. All boys must wear slacks.

The seventh grade is in a football conquest. The 7th grade won the 5th and 6th grade Wednesday and Thursday. The scores were 12 to 6 and 18 to 12.

We are also planning to start publishing a weekly magazine. It will have: cartoons, sports, news, a gossip column and many other articles.

KINGS BEACH SCHOOL

KINDERGARTEN: The kindergarten class has been collecting pine cones for making Thanksgivig turkeys. Sherry Watson, Rebecca Brown, Suzanne Plunkett, Debbie Seaquist and Debbie Brockelsby have completed their turkeys this week.

FIRST GRADE: Ronnie Sergi's little cousin is seriously ill with leukemia. We made a picture book for her and wrote a letter. If you like to make a little girl happy, too, send a card to Miss Pamela Margherita, City of Hope Duarte, California.

FIRST AND THIRD GRADES: First: The following first grade students are reading in "The Little White House." Victor Heard, Susan Leon, Margaret McDonald, Becky Anderson, Billy Brehler, Fae Franklin, Molly Wall, Michelle Plevell, Mark Cole, Dorothy Gaswint.

Third: The third grade are building a school. This week we are studying about the work of an architect.

SECOND GRADE: The following children have completed their second grade minimum requirements in arithmetic and are now doing enriched supplementary work on a higher level. Denise Crowley, Dona Lisa Beck, Eddy Baker, Carolyn Sprankle, Pat Wall, Linda Brassfield, James Gaswint, Rhonda Lumpkin, Marc Price, Jimmy Baxter, Joan McDonald, Hazel Wainscoat, Jimmy Anderson, Sally Templeton, Gary Price, Lana Hill, Vicki Mollhagen, Jo Burris, John Gorrindo, Judy Hoffman, Gary Martin, Janet Stumbo, Ricky Decker, Linda Astle and Scott Ferguson.

THIRD GRADE: After our spelling review unit of 54 words our perfect spellers have dwindled to the following who have a perfect record from the beginning of the year: Karen Crowley and Jennifer Hoffman.

FIFTH GRADE: Our room received a post card from Jim Sergi. He and his famly were in Iowa.

Our class enjoyed using the new bioscope for science.

DONNER TRAIL SCHOOL

UPPER GRADES: The upper grades at Donner Trail School will be holding their second dance of the year on November 20. Committees are now being formed to manage the dance. There will be fast and slow dances as well as some square dances. The seventh and eighth graders are also invited.

The all star football team has been practicing hard this season, and they just wish they had some competition. Members are Bruce Loder, Barry Cardwell, Richard Bartucco, Brad Lee Heckle, Danny Anderson. Gregory Woods. Jay O'Rear, Bob O'Neil and Tom Gangler.

TAHOE LAKE SCHOOL

KINDERGARTEN: The star children in the Weekly Reader puzzle this week were: Bobby Fitts, David Beckman, John Attardi, Michael Bechdolt, Marlon Turner, Randal Huddleston, Richie Baker, Robby Easton, Scott Jorgensen, Arlene Orr, Beverly Freeland, Charlene Kehn, Diane Schindler, Daris Day, Joella Moe, Nancy Kelley, Sheryl Walling, Susan Lewis, Susan Kettenhofen, Debra Crouse and Cathy Campbell.

FIRST GRADE: Star students this week on the reading tests were: Jackie Ghormley, Sherry Freeland, Steven Cross, David Thomson, Yvonne Baker, Kathy Michell, Carl Ruhkala, Jennine Michener, Tommy Coster, Lany Karcher, Bob Zehm, Bonnie Nyberg, John Geyer and Stephen Kilbourn.

SECOND AND THIRD GRADES: A high percentage of our class made 100 per cent in spelling today. They were Calvin Bechdolt, Billy Dutton, Linda Grice, Denise Kimball, Ray Street, Jim Collins, Peggy Hoff, Garry Johnson, Jim Niirich, Kim Ridlev and Mark Rivard. Matt Barrett came to school with the news that he now has a baby brother at home. Monitors for this week were: Gregory Hill, Matt Barrett, Gary Johnson, Shirley Stark and Scott Broomhall.

FIFTH GRADE: A ten point evaluation of what constitutes a good classroom was made by twenty one members of the fifth grade. Outstanding papers were written by Carla Spears, Charlotte Bennett, Lynn Harper, Larry Moustris, Paul Sullivan, Marty Spitsen and Scott Wall.

SIXTH GRADE: In the sixth grade there are now 41 students. We have progressed into fractions. There are still a few students who have managed to get a perfect paper in spelling. They are: Judy Ingram and Karen McBride. The top student in Spanish is Cathy Conners. In our weekly spelling bee the top student was Becky Gorgias.

The class is getting ready for the P. T. A. program on the 18th of November.

SEVENTH GRADE: This week we completed our first unit of spelling. Those receiving above average grades were Leta Laborde, Pamela Simpson, Estelle Howell, Bob Holley, Kent Fugazi, Carol Franklin, Marlea Draney, Wendy Boatman and Amy Arndt. The most improved students were Marlene Crickard, Nancy Jo Bervid and Marie and John Wainscoat.

The art work on our bulletin board was made by Ronnie Baker, Nancy Bervid, Barbara Hampton, Butch McWilliams, Bob Holley and Amy Arndt.

SEVENTH GRADE: Perfect papers in spelling for Unit Ten were attained by: Wendy Broomhall, Lisa Davis, Randa Fugere, Karen Simpson and Susan Stephani.

Students doing exceptional work in Spanish are: Wendy Broomhall, Susan Stephani and Sherry Wall.

The multiplication and division of fractions occupies our time in math. Outstanding students in this field of endeavor are: Wendy Broomhall, Sherry Wall and Susan Stephani. In language we are working on singular and possessive pronouns. Wendy Broomhall, Randa Fugere, Eddie Hoff, Mike Keehn, Holly Shaw, Susan Stephani and Sherry Wall are students excelling in this subject.

The study of the body—the skeleton, muscles, nerves and organs—is the unit we are covering in science. Above-average students in this are: Wendy Broomhall, Randa Fugere, Eddie Hoff, Greg Moore, Susan Stephani, Toni Taylor, Sherry Wall, Linda Wolden, Don Bury and Holly Shaw.

EIGHTH GRADE: Our class has started a new Unit in civics. This quarter we are going to make a study of county government. Placer County in particular as the majority of our students are residents of Placer County.

Through the help of Jim Hilgesen we are now becoming familiar with names of these people.

EIGHTH GRADE: The class recently lost a very good member in Ingrid Kehlet. She and her family left their Meeks Bay resort for the winter.

In social studies top students are Bill Raikes, Dean Denton and Rene Robert. In studying Spanish the best student is Joe Hoxsie, Bill Raikes and Rene Robert are only a short step behind.

Math grades and abilities vary considerably. Top student being Dean Handy. Others doing good work are Dean Denton, Gene Smith, Brad Thompson, Bill Myers and Bill Raikes.

Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Mankind's need of spiritual regeneration and renewal will be brought out at Christian Science services Sunday.
"Mortals and Immortals" will be the Lesson-Sermon subject. Readings from the Bible will include the Apostle Paul's exhortations to the Colossians: "Lie not one to another, seeing that ye have put off the old man with his deeds; and have put on the new man, which is renewed in knowledge after the image of him that created him" (3:9, 10).
A correlative citation to be read from "Science and Health" with key to the Scriptures" by Mary Baker Eddy states: "By putting 'off the old man with his deeds,' mortals 'put on immortality'" (262:7).
The Golden Text is from Romans (8:8, 9): "They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you."

WOLVERINES

Continued from Page 1

the one yard line with a first down and goal to go. South Tahoe punted out and the Wolverines fumbled the punt, the Vikings recovering, on the forty yard line.

It looked like another bad day for Coach Cal Farley's charges, but they shook off their opening jitters and came roaring back in the second period.

They finally received a good break early in the second period as a partially blocked punt barely cleared the line of scrimmage and sailed into the arms of Doug Baxter, Wolverine halfback, in the right flat. Baxter set sail for the end zone, and after receiving a key block from Capt. Marty Kumle raced down the sideline sixty yards for the score. LeRoy Ryser bulled his way over the left side for the extra point and the ball game was tied 7-7. A few minutes later Jerry Cinani hit speedy Sam Medford down the middle with a strike and Sam sped untouched into the end zone on a play that covered 61 yards. Chuck Bergman slanted off the right tackle and Truckee led 14-7 at halftime.

The Blue and Gold from the south end were not done for the afternoon however. Pat Gallagher, another boy who can really run, used a change of pace and his terrific speed to run an Ed Hampton punt back 54 yards for South Tahoe midway through the third quarter. The line held on the conversion attempt and the Wolverines still led 14-13. However Gallagher got in the act again as he intercepted a Cinani pass and streaked down the sidelines to the seven yard line late in the same period.

The Vikings moved on in from there scoring on a quarterback sneak from the six-inch line just as the third period ended. An attempted pass failed on the conversion attempt and South Tahoe led 19-14 as the fourth quarter opened.

With the numerous local rooters imploring the Wolverines to go, go, go, the Cardinal and White did just that as they took the ensuing kickoff and marched the length of the field on power smashes by Bergman, Ribal, and Ryser. Bergman got the go ahead touchdown from three yards out and Truckee led 20-19. After the try for the extra point failed the Wolverines successfully worked the onside kick only to fumble on the first play. Kumle intercepted, fumbled and South Tahoe recovered.

With fans on the edges of their seats, the Vikings took to the air again to try and pull the game out and Kumle got his second interception of the afternoon. The Wolverines were not to be denied this time and using the same power and finesse as the previous drive moved on down the field for the final score. Bergman got both the touchdown and the extra point and the game was out of reach 27-18 with only two minutes remaining.

The Wolverines won the battle of statistics also as they notched 13 first downs to the Vikings four and ran up 288 net yards to 175.

DONNER SUMMIT NEWS

BY DONNA POWERS

NEW RESIDENTS

Mrs. Mary Allyn together with her ten year old daughter, Jean and her five year old son Mike, has taken up residence at Soda Springs. To the family living in their new home near snow lab road we say, welcome. Previously the Allyns made their home at Sleepy Hollow.

CLUB MEETS

November 19 at the Donner Trail School has been set as the next meeting of the Donner Community Club. A potluck supper will be served to which the Tahoe Truckee school board will be invited. The group will examine and discuss the plans for the additions to be made in the smmer of 1960 at the Donner Trail School. The group will also discuss plans to be made for the organizaion of a fire protection district. The coming Christmas party to be held for the children will be planned.

HUNTER SAFETY

Max Williamson of Soda Springs has organized and is teaching a twelve-hour course in hunter safety at the Donner Trail School. Fifteen students are enrolled in the course. Any boy or girl who wishes to purchase any hunting license before he is 16 years of age must pass this course and be able to present at the time of license purchase a certificate stating this fact. Those students enrolled are: Tommy Gangler, Barry Cardwell, Danny Anderson, Craig Anderson, Marcia Sult, Sandarah Sult, Bob O'Neill, Laurel Mason, Bruce Loder, Judi Loder, Mike McKenzie, Bunny Board, Kenny Kison, Pat DeWitt, John O'Rear and Sherman Williamson.

DISTRICT MEETS

In the absence of the Director Harry Pratt, the Donner Summit Public Utility District held its regular meeting Tuesday in the Donner Summit Lodge. Board President Max Williamson discussed with Director Bill Cannon the problem of financing water from the Southern Pacific owned Lake Mary. After discussion with Accountant Ray Carlyle the floating of a bond issue was considered.

Concern was expressed over the fact that the Olympic housing committee does not recommend the Soda Springs area during the Olympic because of the present high iron content of the water. The board also discussed the formation of a fire district. The conclusion was that many summit area residents who do not live in the Donner Summit Public Utility District will want to be a part of the formed fire district. The problem of fire protection service will be discussed at the forthcomig Donner Community Club meeting.

Mrs. Gordon Butterfield of Tahoe City was reported to be recuperating following surgery last week at Tahoe Forest Hospital.

DONNER DOINGS

BY VIRGINIA O' BEAR

The Donner Lake Volunteer Fire Department has the fire truck back in the new firehouse. It had a new motor installed because it blew up during the recent fire at Burney Lumber Company. The firemen and the Ladies Auxiliary are very grateful to Sid Topol for donating $200 to help repair the engine. To Jay Richards who helped in getting the new motor and to Osburn's Buick Garage who installed the new engine with the help of Richards. It is good to have the fire truck back home at Donner Lake and I am sure many residents are relieved because we are being warned of the extreme fire hazard in our area.

* * *

The Ladies Auxiliary will sponsor a card party Friday night at 8 o'clock and will be held at Smart's... Be sure to line up your baby sitter and plan an evening of fun with your neighbors. Form your own group if you like but the most important thing of course is to be there and get in on the Thanksgiving turkey prize with all the trimmings.

* * *

Mrs. Roy Slate has returned home atfer a three week trip to see her parents in Texas. I'll bet Roy and Joyce are happy to have her back home.

* * *

The next dinner and business meeting for the Ladies Auxiliary will be held at Donner Lake Lodge on November 19... Be sure to go and take a neighbor or friend. Many things will be discussed and pictures will be shown of the fire at Topol's Burney Lumber Company. Results will be reported of the card party so let's all attend.

* * *

Mrs. A. St. Claire is spending a few days in Oakland preparing for her trip to the east coast to attend the wedding of her son which I believe will be in early December. I am anxious to see her when she gets back as her hair stylist of many years will give her a new hairdo especially for this special occasion.

* * *

Miss Sharon Tremayne will be honored with a bridal shower this Thursday night at her home. It is being given by her friend and maid of honor to be, Diane Speeter. Results of the party will be reported next week as I am an invited guest and will get first hand information. Sharon has set her wedding date for November 21.

* * *

Mr. and Mrs. Bill Knapp and daughter Susan have just returned home from a trip to Casper, Wyoming. Mrs. Knapp's mother is seriously ill in a hospital there so the Knapps made a hurried trip to visit her.

* * *

George Brack has returned home to Cottage Pines Motel after being away on a hunting trip for five weeks. George had quite a time hunting and is ready to settle down for the winter.

* * *

It was a grand Mardi Gras at Donner Lake Lodge last Saturday night. Everyone enjoyed themselves dancing and admiring the various costumes. If you didn't go you do not know what you missed. The costume of host Hal Welch was one of a red devil. Olga was dressed as an angel including a halo. Hal made a hit with everyone and I have never seen him so jolly and talkative. We should have more get-togethers like that. People attended from Truckee, Soda Springs, Lake Tahoe area and Donner Lake.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Meeting
November 2, 1959
Present:
John T. Trauner, Clerk
Wm. J. Cassettari, Deputy
District Attorney

The meeting was called to order at 10 o'clock a. m. by the Chairman of the Board, and all members of the Board were noted as present.

The minutes of the previous meeting were read to the Board by the Clerk, and a motion was made, duly seconded and passed unanimouslv, approving the minutes as read.

A moton was made, duly seconded and passed unanimously, directing the Clerk to publish the proceedings of the Board in the Sierra Sun for the month of November.

Mr. John Lastova, Foreman of the Grand Jurv, appeared before the Board and presented the Board with a letter from the Grand Jury, requesting the Board immediately employ a full time investigator for the District Attorney's office. The Board took no official action on the request at this time.

Dr. Stanley Ogush, County Health Officer, and representatives of the State Department of Public Heatlh appeared before the Board in regards to various water pollution problems within the unincorporated areas of the county, and the Board took no official action at this time.

The County Welfare Director appeared before the Board, and rendered the report of her department for the month of October, and a motion was made, duly seconded and passed unanimously, accepting the report and ordering it filed.

A discussion was held between the Board and Mrs. Worth on emergency out-patient treatment in private hospitals, and the statement of policy was presented to the Board by the Director. A motion was made by Supervisor Loehr, duly seconded and passed unanimously to adopt Resolution 59-57 authorizing the Welfare Department to pay for emergency out-patient treatment in private hospitals.

The District Attorney appeared before the Board in regards to having a Special Investigator on his staff, and a poll of the Board indicated that all members were in favor of such a position. The District Attorney was directed to investigate more fully the cost of such a position and to report back to the Board at a later meeting.

A letter from Mr. C. V. Litton in regards to the administrative area of the County Airport, was read to the Board by the Clerk, and after a discussion, the matter was referred to the Airport Commission for their investigation and study.

At this time a motion was made duly seconded and passed unanimously, to adjourn for lunch, to reconvene at 1:30 p. m.

AFTERNOON SESSION:

The Board reconvened at 1:45 p. m. and it was noted that all members of the Board were present.

Mr. Earl Erikson, manager of the Inter County Title Co. appeared before the Board, and requested the loan of microfilm of the county records, for reproduction by his company. A discussion ensued, and the matter was deferred pending a more complete investigation.

Mr. Peter Ingram, representing the Grass Valley Junior Chamber of Commerce, appeared before the Board in regard to the Supervisorial Redistricting, and was informed that the committee had not yet been appointed, and was invited to appear at the next meeting.

A letter from the State Fire Marshal was read to the Board in regards to fire conditions at the County Hospital, and the matter was referred to the insurance agent for his study and subsequent recommendation.

Mr. A. T. Parsons appeared before the Board in regards to an amendment to the zoning ordinance for precise zoning, and a motion was made, duly seconded and passed unanimously, requesting the District attorney to present the new ordinance at the next meeting.

Mr. Preston Wright, owner of the Olympic Heights Subdivisions, appeared before the Board with a map of the proposed subdivision and after a discussion on the question of roads status in the subdivision the matter was referred to the Road Commissioner for his determination for a bond necessary for the road building.

Mrs. Dorothy Fordham appeared before the Board with a petition signed by 204 people for a dog control ordinance. Dr. Ogush, Health Officer, presented the Board with a model ordinance that had been prepared by the County Sanitarians, and the Clerk read the ordinance in it's entirety to the Board. A general discussion ensued by members of the Board and persons in the audience, and Supervisor Smart stated that preliminary negotiations had been held with two incerporated cities within the county for the use of their pound. The matter was finally referred to Supervisor Smart and Bishop for study.

Mr. Wright and the Road Commissioner appeared in the Board Room in regards to a bond for road purposes in the Olympic Heights Subdivision in the Truckee area, and the matter was deferred until the next meeting.

A general discussion was held with the Road Commissoner, on various Supervisorial Road projects and no official action was taken by the Board.

A petition from the residents of the Ridge Road was read to the Board by the Clerk relative to the installing of signs on said road and the matter was referred to the Road Commissoner.

A group of people appeared before the Board to protest the elimination of the exemption as Veterans from the County Assessment Roll and Mr. Cassetari ruled that the Assessor and only the Assessor has taxing jurisdiction within the county and the Board has no authority on the matter. The Board consequently took no action on the request.

Mr. Cecil Edmunds, a member of the Planning Commission, appeared before the Board in regards to signs being placed in appropriate places which would be beneficial to Truckee and the Truckee area, which had also been requested by the Truckee Chamber of Commerce. The Board took no official action on the request at this time.

At this time a motion was made by Supervisor Coughlan, duly seconded and passed unanimously, directing the Planning Commission to present those rules and regulations relative to subdivisions, and to promulgate rules and regulations to the Board for ratification.

A motion was made at this time by Supervisor Loehr, duly seconded and passed unanimously, to adjourn to meet again on November 17, 1959 at 10 a. m. thereof.

A MATTER OF FACT... IN NEVADA COUNTY!

1,255 OUTBOARD RUNABOUTS could be financed by the $2,500,000 in Timeplan loans made last year by the Bank of America branches in Nevada County. These loans enabled local people to buy a wide variety of products, and also to cope with financial emergencies — another important B of A service to your community!

62,145 FIVE-DOLLAR SALES could be rung up on cash registers in local stores by the $310,729 paid last year to Bank of America stockholders and employes in this county. Year after year, B of A dividends and salaries spent locally mean more profits for Nevada county merchants in every line of business!

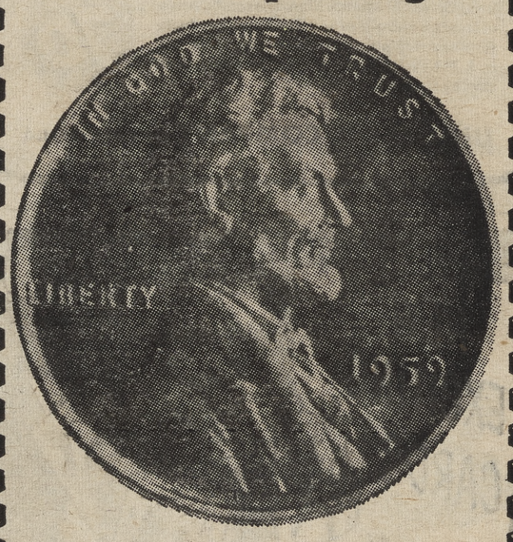

MEETING LOCAL NEEDS is a Bank of America specialty. Each B of A branch in Nevada County is a local business, staffed by local people and dedicated to serving the best interests of its own community. Bank of America is the neighbor you can bank on!

WEATHER

During the past week the weather has been quite spring-like, mornings a chilly 25 degrees, midday around 55 degrees. Harry Johanson says it will continue for another couple of weeks.

VACATION AHEAD

Mr. and Mrs. Carol Olinghouse and son left this week for Oklahoma where Margaret will stay for about six months. Carol will vacation there with his family for three weeks, then we will be looking for him at the Stop n Shop in the meat department. Have fun, Margaret, your friends will be looking for you May 1.

SELLING

Harvey Klitzke and Bill Donileas have just sold three nice properties, the buyers were all from out of state and are thrilled to be new property owners at the Lake.

PARTY

A lovely party was held at the home of Mike ad Jean Cinani in Tahoe Vista the last week in honor of Jean's mother, Mrs. Peter Jensen, who will be leaving November 16 for Minnesota, after enjoying a months visit with her family. Those present were Bob and May Critchley, Bob and Barbara Bergman, Beverly Newell, Dr. Prescott, Lyle and Adeline Gunkel, Fred and Alysmae Schultz, Eda Judy, Mrs. May Brown, aunt of the Critchleys, Walt and June Mandeville, who provided the entertainment.

LEAVING

Mrs. May Brown who has lived in Tahoe Vista for a long time and who has been active in church and social affairs is leaving this month for Connecticut and will be missed by her many friends.

IN FLORIDA

Mrs. Eda Judy is leaving this month for a visit with friends in Florida, have fun, Mrs. Judy.

IMPROVING

Mickey Jenkins, who was so seriously hurt a few weeks ago, is slowly improving. That is wonderful news, Mickey.

OPEN HOUSE

Fidelity Title Company was host to an open house party last Wednesday, November 4.

SOLD

Had a kind letter from Marie Hart, who sold her home at Agate Bay to Mr. and Mrs. Gregg of Fort Bragg, who are, as she says, a wonderful couple. We shall surely miss you Marie, as will so many of your friends.

NEW COUNTY COURT

Yes, the road entrance and foundation are all set, it is being rushed, so it may be ready before the Olympics. Carl Bechdolt says he has ordered a suite of rooms with a king size bath 'n everything in case he gets thrown in. Every comfort, says Carl Senior.

WINTER OLYMPICS STAMP APPROVED

The U. S. Department of Agriculture announced today that the post office department is cooperating in stimulating interest in winter sports in the national forests. A special postal slogan cancellation has been authorized in connection with the Winter Olympic Games in Squaw Valley in the Tahoe National Forest.

Starting in November, first and second class post offices may request this cancellation for first class mail which will carry the message: "1960 Winter Olympics, Tahoe National Forest, California." The message will serve as a reminder of the recreational opportunities afforded by our national forests—one of the major forest uses.

This stamp cancellation, of special interest to California and Nevada residents, can be obtained in time for use just as USDA's Forest Service, construction engineers, and the Olympic Committee are completing preparation for the big international skiing event. Already postmasters in San Francisco, Berkeley, Nevada City, Los Angeles, Redding, Sacramento, Fresno and San Diego, California have requested the use of the stamp cancellation.

DETAILED MAP OF TAHOE PLANNED

LAKE TAHOE—Preparation of an accurate, detailed "base map" of the entire Lake Tahoe watershed basin is in progress at the Lake Tahoe Area Council, according to Raymond M. Smith, planning executive director.

Delineating all the fundamental data required for future planning studies, the base map—actually a series of individual representations—will serve as the starting document for a variety of special-purpose maps, Smith said.

The council basic map project will first show its "area of action" or the 500 square mile geographical region determined as the watershed by the ridge lines around the Lake Tahoe basin. The council was organized to protect and improve the natural values and beauties of the Tahoe region as contained within this basin.

The base map will also show section lines, county and state boundaries, stream and valley sub-basin patterns and terrain features.

With these major natural characteristics and basic survey data shown, the map will thus serve for overlaying a variety of other data in graphic representation. Some of the major studies contemplated may be in land uses and ownerships, highway and secondary road patterns and traffic concentrations, and variations between development trends among the five counties in the two-state area.

Standard Oiler Jack Sindall, and wife Carolyn, introduce their silver poodle to the sparkling wonders of modern detergents.

From deep in the earth...the world's best cleaners

Less than 15 years ago, the first package of modern detergent was sold to a dubious housewife. Today, two-thirds of the nation's cleaning is done by synthetic detergents.

This has been made possible by a chemical ingredient found in petroleum. Standard pioneered production of this substance and today produces more than half of all that is used in the United States.*

As every woman knows, synthetics can do any cleaning job better. They make water "wetter," have greater cleaning power, cause dirt to come out fast and float away.

Detergents work in hard or cold water, leave no scum or bathtub ring, and allow dishes to drain sparkling dry.

To make detergents even better, our scientists are continually testing new formulas, which they try out on stacks of dishes, bundles of scientifically soiled laundry samples, piles of dirty white shirts.

As a result, the detergents you use get better every year. And they become useful in more and more ways, from washing railroad cars to making water wetter for fighting fires.

In this way, by continually working to bring you better products . . . *the people at Standard are planning ahead to serve you better.*

TnT Tidings

By SHERRY THATCHER

The senior car wash held in Kings Beach, Tahoe City and Truckee Sunday, November 8, was quite successful. Most of the senior class turned out to their respective locations and were kept very busy with a steady stream of business.

The Kings Beach site for the car wash was a little short of helpers, though there were plenty of cars to wash. The people who were there did a very good job however.

The end of the day found many nice shiny cars and some very tired seniors. A profit of about $50 was made overall.

A pep rally was held at the high school Friday, November 6, at which the varsity cheerleaders from South Tahoe were the guests of the Tahoe Truckee varsity cheerleaders. The South Tahoe girls were introduced to the student body, and they led TnT in a yell.

The Tahoe Truckee songleaders put on a clever skit titled "Meet the Press" where they called upon the senior boys on the football team and quoted their various expressions throughout the football season. It was received with much laughter and applause.

The coaches—Cal Farley, Andy Baumgardner and Mike Leslie were interpreted by various people dressed in appropriate costumes.

The junior varsity and varsity coaches gave speeches and the cheerleaders led the students in peppy yells. Mr. Brehler also dressed as a yell leader and did a very god job leading the students in a special yell.

* * *

Fall and winter styles were shown to the feminine branch of the high school Thursday, November 5, in the cafeteria. Skirts. sweaters, ski pants, slacks, ski boots, parkas and after-ski boots were modeled by students of Mrs. Smith's classes. Thev were: Donna Barnes, Judy Beck, Teresa Decker, Joan Brown, Lvdia Craig, Judy Loder, Ellen Rich and Sherry Thatcher.

Refreshments were served and the show was enjoyed by the girls and many of their mothers, too.

AUXILIARY OFFICIAL VISITS LAKE POST

CRYSTAL BAY — Mrs. Grethel Gillam, president of the women's auxiliary to the VFW, Department of Nevada, made her official visit to the auxiliary to Post 7077, Lake Tahoe, at a dinner held in her honor at Crystal Bay Club November 5.

Accompanying Mrs. Gillam on her official visit were Isabell Botts, Department of Nevada treasurer, and Agnes Crow, department community service chairman and members of the Las Vegas Auxiliary; Virginia Giannotti, department secretary, Ida Henderson, District 3 historian and Cordelia Brotherson, past department president.

Mrs. Gillam reviewed the Natonal Auxiliary president's eight-point program at the national convention in Los Angeles.

Lake Tahoe Post and Auxiliary will host the 1960 state convention in June. Mrs. Gillam said that throughout the state members are making plans to attend and indications are that it will be the largest department convention ever held.

RESTRICTIONS LESSEN ON LOCAL BURNING

The Tahoe National Forest Service in the Lake Tahoe, Truckee area is lifting burning restrictions only on enclosed incinerators, according to a Monday announcement made by Henry Toccalini.

The present hours when burning will be allowed in the well covered incinerators are from 5 a. m. to 9 a. m. and from 6 p. m. to 10 p. m.

Toccalini said that written permission must be obtained from the forest service office for any type of open burning.

Full cooperation of everyone in the region is required to protect the forest and towns in the district during the unprecedented dry period for this season of the year.

COUNTY SHARES IN LIQUOR LICENSE FEE

SACRAMENTO—(CNS) — The state department of alcoholic beverage control announced Nevada County's share of license fees and payments in compromise for the period from March 1-Aug. 31 was $10,488.

Of this total, $5,888 went to the unincorporated area of the county and $2,684 went to Grass Valley.

Cities and counties receive 90 er cent of license and renewal fees and payments in compromise, with the balance held by the state for the general fund. Payments in compromise are made in lieu of suspension of alcoholic beverage licenses for minor violations.

Such payments represent 20 per cent of the gross business estimated for the period of the suspension.

I RUSHED FROM MY SHOPPING TO PICK YOU TWINS UP AND THIS IS WHAT YOU DO TO ME.

WHAT'S THE TROUBLE?

MOM'S MAD 'CAUSE SHE WAITED FOR US AT SCHOOL AND WE WENT HOME WITH MRS. COOPER.

THIS IS THE SECOND TIME YOU'VE DONE THAT, PENNY AND PAT—

BUT—MRS. COOPER IS ALWAYS THERE BEFORE MOM.

THAT'S A POOR EXCUSE — WHEN YOU KNOW YOUR MOTHER'S COMING YOU SHOULD WAIT FOR HER.

YOUR MOTHER DOES EVERYTHING FOR YOU—SHE GETS YOU READY FOR SCHOOL AND DRIVES YOU THERE—THEN SHE CALLS FOR YOU AND GIVES YOU LUNCH AND TAKES YOU BACK TO SCHOOL.

AND THEN SHE HAS TO STOP WHATEVER SHE IS DOING TO PICK YOU UP AGAIN IN THE AFTERNOON.

POOR MOM— MAYBE WE OUGHTA DO SOMETHING FOR HER.

YOU CERTAINLY SHOULD!

OKAY, DADDY— WE WILL! WE'LL QUIT SCHOOL!
